

# 2010 Midnight Sun Celebration!

## Special Downtown Pages

The Fairbanks Downtown Association is working with the Daily News-Miner and Nava Christian to produce a four-page pull-out which will run in the center of the annual Midnight Sun Celebration tabloid section on Sunday, June 20. The Downtown Association will be receiving 6,000 additional copies of the pull-out pages only for distribution during the festival.

The Downtown Association will use the first page and the center spread to promote the downtown Fairbanks street fair and solstice festival. The back page will be reserved for downtown businesses to advertise their special sales and solstice events. The Daily News-Miner will provide a free background color on this page. Space is limited. Reserve early ... Space is available on a first come, first served basis. Please note: When the page is filled, you can still advertise in the Midnight Sun Celebration section, but your ad will not be on the pull-out pages.

**Don't Miss Out!**

**Please contact Nava Christian to reserve your space.**
